Yes, to the best of my knowledge Angela Ragin and Elizabeth Irvin-Barnwell will be attending from CDC. From our latest word from Jackie it appears that Eric Hooker's supervisor from CPSC will be attending, but we have not received a final confirmation yet.

Are we sure CPSC and CDC will be attending Ex. 6 Personal Privacy (PP) (Sorry if this was discussed already and I've missed it in my emails)...

Hi Nicole, no problem, here is the write-up for Ecore:

- <!--[if !supportLists]--><![endif]-->On May 16, a group of EPA staff and managers from ORCR and ORD- as well as members of the Consumer Product Safety Commission and Centers for Disease Control - will be visiting the Ex. 6 Personal Privacy (PP) This visit is in support of the multi-agency research action plan on the use of tire crumb on playing fields and playgrounds (www.epa.gov/tirecrumb). Those attending will observe and learn about the tire crumb manufacturing process and have an opportunity to ask questions about the source and variability of tires, different processing technologies, and other variability in the tire properties.

Hi, Chris: I just realized the subject line was confusing because the weekly items are actually due COB Wednesday 5/4 (today), per the email message. Could you send me something on [REDACTED] before you leave today? Thank you.

Good Afternoon, Managers!

Happy Public Service Week!

This is your weekly reminder to send Weekly Items our way. Richard and I are looking forward to all those entries that highlight your hard work. Please aim to send your Weekly entries to Richard and me by COB Wednesday the 4th.

As a reminder, the report is forward-looking with items occurring/continuing between May 9th and May 20th. If an important meeting or item occurred in the last two weeks and we didn't have it on the report, feel free to submit. Also please remember we have a 60 day outlook for all speaking engagements and all public announcements (rules, memos, web postings).

Please submit entries for ALL outside presentations or meetings; documents or packages that need OLEM review or signature; and upcoming project/rule milestones and/or accomplishments. Attached, for your reference, is last week's Weekly.

Thank you!!!!
